

PROVINCIAL CHAMPIONSHIPS

Introduction

North Delta Minor Hockey has the expectation that any rep team that earns the right to go to Provincials will attend and represent North Delta Minor Hockey. Furthermore, it is a North Delta Minor Hockey expectation that any player who participates in rep tryouts and earns a spot on a rep team will go to provincials if their teams earns the right.

North Delta Hockey recognizes, however, that the location of Provincial Championships for any division or Tier is out of the control of teams or our association and that the location of the Provincial Championship greatly influences the associated cost for a team to travel to their provincial championship.

Financial Support

The Association is prepared to contribute a maximum of \$5,000 total towards all teams representing North Delta Hockey at their Provincial Championships. This money will be distributed as follows, depending on the location of the Championships:

Lower Mainland – As there is no travel requirement, NDMHA will not provide any funds.

Vancouver Island, Okanagan, or Sunshine Coast – A maximum of \$1,000 per team will be provided to teams participating in provincials in these locations.

Kootenays or Northern BC – A maximum of \$3,000 will be provided to any team participating in provincials in these locations.
